The diagram illustrates a process flow. On the left, a box contains a single icon of a document with a checkmark and the Korean word '소개' (Introduction). An arrow points to the right, where a larger box contains three smaller boxes, each with an 'O' and '1111' below it. A red diagonal line is drawn across the entire diagram.

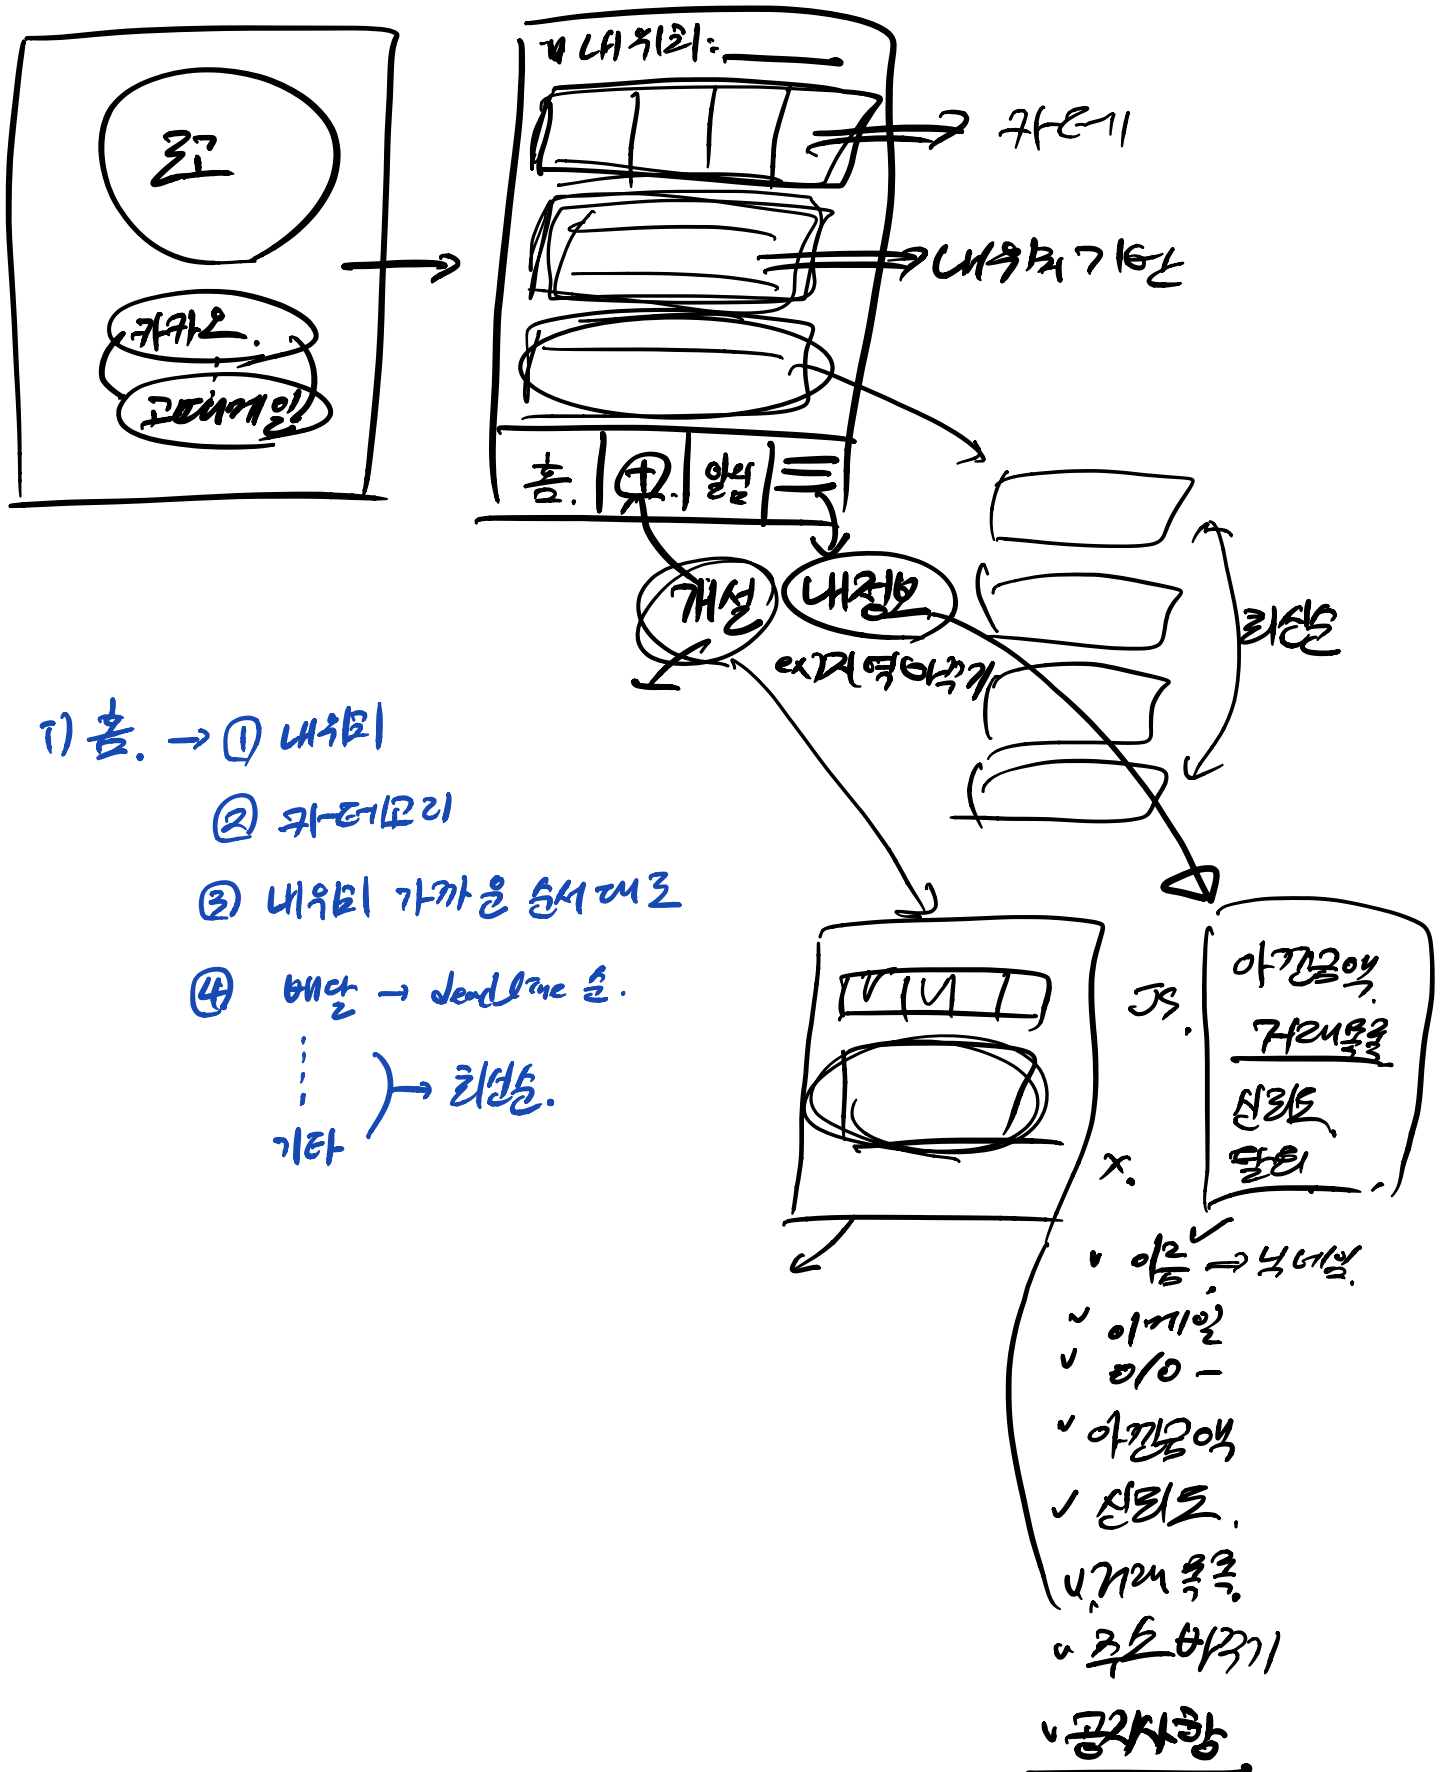

The diagram illustrates a transformation between two states, both of which are crossed out with a large red diagonal line. The left state is a rectangle containing a smaller rectangle with an arrow pointing to it, and a circle with the text '7/11/11' inside. The right state is a rectangle containing two smaller rectangles, one of which has a checkmark inside. The transformation is indicated by an arrow pointing from the left state to the right state.

(채널 구독금액) + 예뵤
